

SHAWANO SCHOOL DISTRICT

STUDENT ACCEPTABLE USE AGREEMENT

Students in the Shawano School District may have use of the technology resources through established accounts and other supervised means. Each student wishing to use the technology resources shall adhere to the District's technology use policy 7540.03, adhere to the student handbook and be under the supervision of faculty and staff. All students using personal devices (cell phones, tablets, laptops, ipods, etc) on the Shawano School District property will adhere to the District's technology use policy 7540.08. Student use of the technology resources and personal device access shall be viewed as a privilege and not a right. School use of the technology resources shall be for educational objectives of the District.

Misuse of the technology resources may result in loss of access privileges, school disciplinary action, possible legal action up to and including expulsion and/or compensation for damages to school property.

“Google Apps for Education” is used at the Shawano School District. Google Apps Core Services are Gmail (including Inbox by Gmail), Calendar, Classroom, Contacts, Drive, Docs, Forms, Groups, Sheets, Sites, Slides, Talk/Hangouts and Vault.

Additional Services (like Youtube and Maps) are designed for consumer users and can optionally be used with Apps for Education accounts if allowed for educational purposes by a school's domain administrator. By signing this agreement, I give my child permission to use Google Apps at school.

We (parent(s)/guardian(s) and student have read this agreement and understand the provisions of using the technology resources and personal device access provided by the Shawano School District under policies 7540.03 and 7540.08. We also understand that a violation of these provisions may result in the student losing access to the technology resources and possible legal or disciplinary action of the student by appropriate authorities.

We (parent(s)/guardian(s) and student understand the intent of the Acceptable Use Agreement is to insure that student use of the technology resources at the Shawano School District is designed for educational purposes. We further understand the school district has undertaken measures to restrict access to controversial materials, it may not be possible for the district to restrict access to all controversial materials. We will not hold the Shawano School District responsible for materials acquired on the network.
