1050 S Union Street, Shawano, WI 54166

(715) 526-2192

Extra-Curricular Activities and Athletics

It is possible for students to participate in the following extra-curricular activities. Those who participate and complete the activity will receive one praise award.

Athletics are a major component of the extra-curricular activities offered at SCMS. Our athletic programs focus on providing an opportunity for students to have fun, learn how to work as a part of a team, and develop their athletic skills. With that focus, we encourage students to try at least one sport during their career at Shawano Community Middle School.
