Our main need is for class volunteers because each week several dozen volunteers are needed to assist riders. Since we offer classes several times a week you can choose a day and time that best fits your schedule. As a volunteer you will learn techniques for: grooming, tacking, leading a horse, sidewalking, mounting and dismounting. Experienced class volunteers provide stability and a sense

					<p>Our volunteers are teenagers and adults by majority, but we have a few younger helpers who assist with games and exercises, and several volunteers are retirees. Almost every volunteer has introduced a friend to our program, and usually that person also becomes a volunteer. For some people, volunteering only fits into their schedule once a week, but others, especially our teen volunteers, manage to come to almost every class. They become very attached to an individual horse, and also foster strong friendships with favorite riders.</p>	
					<p>We also offer many important non-class volunteer opportunities in the areas of: special events, barn help, grant writing, bulk mailings, yard work, facility maintenance, etc.</p> <p>If you would like to take the next step toward becoming a Red River Riders volunteer, please call us. We can answer specific questions you may have</p>
