Library	\$10	\$15	\$30

Weekend usage of school facilities will be assessed an hourly fee for cleaning service staff on-site, including ½ hour prior to event, plus clean-up so school is 'student ready' for Monday morning. Staff are not normally scheduled on the weekend.

Auditorium: See separate fee schedule.

The Ropes Course fee is for a minimum of four (4) hours. In addition to the fee stated, there is a per person charge assessed. Arrangements for climbing wall usage are made through the SCE Office and require a contract.

The Computer Lab fee may require a lab aide. Printing costs are an additional charge. The Technician rate to install hardware/software is \$95 per hour. Hardware and software must be in the Director of Technology's office two weeks prior to the event. First time computer lab use may require technical assistance.

Pool Rental: \$40 one lifeguard. 1 – 60 people require 1 guard. 61 - 100 requires 2 guards. Groups renting the pool will pay \$10 for each additional lifeguard needed. Groups renting the pool must provide adequate adult supervision.

Kitchen use may require services of ServSafe certified food service employees as determined by the food service director. Kitchen equipment is not to be used without prior authorization of the food services director. Kitchen use policy must be signed prior to event date.

Labs, Shops and/or Special Equipment may require services of trained school employees as determined by the District Superintendent or designee.

Special Equipment is not to be used without prior authorization of the Superintendent or designee.

Pricing above **does not** include custodial fees that may be required to be onsite during usage and for clean up after event.
